Title: Lord Rune Artisem

Author: Kingdom of Stormhaven

The Kingdom of
Stormhaven doth take
interest in the welfare
of the City of skara
Brae and her citizenship.

In the name of the
virtues and light the
Kingdom of Stormhaven
doth declare Guardianship
of Skara Brae until a
rightful council of light
can be placed to the lead
the township.

As your Dark Council has
in the past ... lead the
city... it is at this time
we thank you for you
work in Skara Brae, but
find there is no further
need for your placement
there and request your
departure immediately.
The new temporary council
and military escort of
the kingdom of
Stormhaven will reclaim
the city within two weeks
and if you need an aid in
expiditing your departure
please let us know.
